

FRIDAY 10:30 AM - 1:00 PM: Cyber Insights From A Hacker!

Angelique "Q" Napoleon, Cybersecurity Expert (Mrs. Cyper Q)

Cybercrime is growing at an alarming rate and Q will share highly useful information that will protect you at work and home from a hacker perspective. She will cover securing social media accounts, protecting your identity, share some eye-opening statistics and leave the group with handouts.

Q is a cyber expert and supports cyber mentorship programs and initiatives for transitioning Military members and their families looking to enter the Cybersecurity field and is the Co-Founder and Chairwoman of the Board for the Cybersecurity DIVAS and is a United States Air Force veteran.
