

1:30 PM - 4:30 PM: Time Management for Multifamily

If you want to reduce the amount of work piling up on your desk and get more completed in less time this session is for you. This session is designed to be specifically applied to the Multi Family Industry and you'll learn new tips and proven ways to be more productive.

This unforgettable session will cover organizing priorities, tasks, and how long it should really take to complete tasks such as HVAC repairs, replacement, water heater replacement, and how to get to all those emails that flood your inbox every day. Whether you are in the office or in the service department you will take away some effective ways to manage time more efficiently and have a great time.

Who should attend? Regional Managers, Managers, Assistant Managers, Supervisors, Technicians or anyone that wants to learn new and realistic ways to be more productive. If you want to reduce stress, and get more done this seminar is highly recommended

Speaker: Mark Cukro (Plus One, Inc. - Service Team Training)
